

Gouwenaar 3.0

Automatisch afstand houden tot de wal en andere vaartuigen. Veiligere varen.

De meest efficiënte route afleggen op de meest efficiënte snelheid.

Altijd het juiste schip voor de juiste lading. Sleemter varen.

Altijd het juiste schip voor de juiste lading. Sleemter varen.

An aerial photograph of a modern road intersection. The scene features a roundabout with a red brick center and a checkered pedestrian crossing. Several cars are visible on the roads, and there are green spaces with trees and a white tent on the left side. The text 'Lessons Learnt Smart Mobility' is overlaid in the center.

Zet eindgebruiker centraal

The image shows a screenshot of a railway management system interface. On the left is a map of the Netherlands with various stations marked by red and blue dots. On the right is a table of train services. The date '27-5-2016' is displayed at the top right. The table has columns for 'Ritnummer', 'Voertuig', 'Start -Einde', and 'Stop'. A search bar at the top right contains the text 'ACTIVE true' and 'Zoeken...'. A mouse cursor is visible over the 'MCP Pijnacker' entry in the table.

Uitlek Ocean

A photograph of two otters sitting side-by-side. The otter on the left is light brown with a white patch on its chest and muzzle. The otter on the right is dark brown with a white patch on its muzzle. The text "Gezamenlijk doel" is overlaid in the center in a bold, black, sans-serif font.

Gezamenlijk doel

A photograph of a cable-stayed bridge spanning a body of water. The bridge has several tall, white pylons with numerous stay cables. The water is dark and reflects the bridge. The sky is overcast and grey. The text "KEEP IT SIMPLE" is overlaid in the center in a bold, black, sans-serif font.

KEEP IT SIMPLE
